Dear [REDACTED]

Sherman Kent tells me that you have agreed to continue to be of service to our government notwithstanding the fact that you have officially retired. I am extremely pleased that you are willing to give so freely of your personal time.

Since you will have no formal status, salary, or other emoluments, you cannot, of course, represent the Agency in any official capacity. Naturally, you are under no obligation to commit yourself with respect to the times or places you will be available for counsel.

I am sure you understand that we must require that you accept certain security obligations concerning your relationship with us and information you will acquire through this association.

MEMORANDUM FOR: Mr. McCone

After long consideration the Department of State has determined that, according to the law, [] would have to forfeit \$500 of his \$20,500 annuity if he accepted an appointment to another Government position.

The Department is willing to give him this \$500 out of confidential funds; however, Larry Houston and I believe that, while this is a Department of State responsibility, []

[] is not properly protected. Hence, we propose the attached letter to [] in lieu of a formal action, as the Department of State agrees that this will not affect his annuity.

Recommend signature.

([] and Sherman Kent have seen and agree with this letter.) []
